Daniels' Orchestral Music Oct 20 2019 Daniels' Orchestral Music is the gold standard reference for conductors, music programmers, librarians, and any other music professional researching an orchestral program. This sixth edition, celebrating the fiftieth anniversary of the original work, includes over 14,000 entries with a vast number of new listings and updates.

Bach in the World Jun 08 2021 "Johann Sebastian Bach's works are often classified along the lines of "sacred" versus "secular." While this distinction is fraught with problems, it seems to provide a useful way to distinguish between Bach's vocal works for the liturgy and those that were written to honor courts and members of the nobility. But even there, the lines cannot be drawn that clearly. The political and social systems of Bach's time relied on religion as an ideological foundation and public displays of political power almost always included religious rituals and thus required some form of sacred music. Social constructs, such as class and gender, were also embedded in religious frameworks. The book analyzes public manifestations of the social order during Bach's time in large-scale celebrations, processions, public performances, and visual displays. By analyzing selected cantatas, the book explores how Bach's music functioned as an agent of affective communication within rituals, such as the installation of the town council, and as a place where socio-political norms were perpetuated and-in a few cases-even challenged"--

Hymntune Index and Related Hymn Materials: Hymntune index (L-Z) Sep 30 2020 Cataloging over 33,000 melodies sung by congregations world-wide, this resource provides the source of each and lists related materials. --From

Catalogue of Music for Organ and Instruments Jun 20 2022 "This book presents music titles in which the organ is part of a chamber ensemble. Alphabetized by composer, entries contain the bibliographical information for each title and a brief commentary or description, as well as information on the level of difficulty, timing, mood, fingerings/pedalings, and other performance aids. The selections are suitable for concerts and religious services and are written in a variety of styles, from Baroque to contemporary." "This catalogue will be of interest to church organists searching for a piece for organ and brass appropriate for Easter, visiting instrumentalists choosing music for a Sunday service, teachers introducing their organ students to the experience of accompanying a violin, and instrumentalists seeking a composition to play with the organ, among many others."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. ***British Organ Music of the Twentieth Century* Dec 22 2019 This is the first book-length survey of 20th -century British music for solo organ. Beginning with a discussion of British organ music in the last decades of the Victorian era, the book focuses on the pieces that the composers wrote, their musical style, possible influences on the composition of specific works, and the details of their composition. Arranged in chronological order according to date of birth are detailed studies on important composers that made especially significant contributions to organ music including Parry, Stanford, Healey Willan, Herbert Howells, Percy Whitlock, Francis Jackson, Peter Racine Fricker, Arthur Wills, and Kenneth Leighton. Composers' biographies, the role of organs and organ building developments, influential political and sociological events, and aesthetic aspects of British musical life are also discussed in detail. In the concluding chapter, the author discusses the major phases and achievements of the century and gauges what may lie ahead in the new millennium. A comprehensive Catalog of Works provides titles of works, dates of composition, details of publishers, and the dates of publication. More than 60 music examples, 12 black and white photos, and an up-to-date bibliography are included.**

A Conductor's Guide to the Choral-orchestral Works of J.S. Bach Apr 06 2021 Focusing on the works of J. S. Bach, this invaluable guide surveys the choral-orchestral repertoire.

Rethinking Mendelssohn Feb 04 2021 ""Rethinking Mendelssohn offers a new perspective on Mendelssohn's music and aesthetics, arguing for a fresh critical understanding of the composer, his music, and its central relationship to nineteenth-century culture. Building on the renaissance in Mendelssohn scholarship of the last two decades, the present book sets a new tone for research on Mendelssohn, challenging the traditional modes of discourse about this composer in moving beyond rehabilitation and source studies to engage in rigorous criticism and analysis. In a word, it seeks to rethink the issues that shaped Mendelssohn, his music and its reception from his own day down to the present. This volume includes contributions from younger, emerging scholars as well as from some of the most prominent figures outside specialist Mendelssohn circles in order to open up new ways of understanding the composer and set out future directions in Mendelssohn studies. Particular attention is given here to Mendelssohn's contested views on the relationship between art and religion, the

analysis of his instrumental music in the wake of recent controversies in Formenlehre and his historical importance in this field, and the burgeoning interest in his previously neglected contribution to the German song tradition, besides offering new accounts of some of this composer's most familiar orchestral pieces. ""--

J. S. Bach's "Leipzig" Chorale Preludes Dec 14 2021 Originally composed in Weimar and later revised in Leipzig, J. S. Bach's chorale preludes have been a source of some puzzlement. However, Bach scholar Anne Leahy argues that through the careful examination of the links among the music, hymn texts, and theological sources some answers may be had. In her book, Leahy considers the critical relationship between the texts of the hymns and their relationship to the chorales, outlining a theological pattern vital to fully grasping the guiding philosophy of these compositions. ***J. S. Bach's "Leipzig" Chorale Preludes: Music, Text, Theology*** is ideally suited for Bach scholars and those with a general interest in the intricate relationship between text and music in the composition of religious music.

The Hymnal 1982 Aug 18 2019 The authorized hymnal for the Episcopal Church with durable, beautiful, covered spiral binding especially created for music stands, organ, and piano music racks. This edition provides accompaniment for all hymns and service music and contains an appendix of additional service music. It comes in two volumes — one of hymns and one of service music.

Leipzig After Bach Aug 30 2020 Leipzig, Germany, is renowned as the city where Johann Sebastian Bach worked as a church musician until his death in 1750, and where Felix Mendelssohn Bartholdy directed the famed Gewandhaus orchestra until his own death in 1847. But the century in between these events was critically important as well. During this period, Leipzig's church music enterprise was convulsed by repeated external threats—a growing middle class that viewed music as an object of public consumption, religious and political tumult, and the chaos of the Seven Years and Napoleonic wars. Jeffrey S. Sposato's ***Leipzig After Bach*** examines how these forces changed church and concert life in Leipzig. Whereas most European cities saw their public concerts grow out of secular institutions such as a royal court or an opera theater, neither of these existed when Leipzig's first subscription concert series, the Grosse Concert, was started in 1743. Instead, the city had a thriving Lutheran church-music enterprise that had been brought to its zenith by Bach. Paid subscription concerts therefore found their roots in Leipzig's church music tradition, with important and unique results. These included a revolving door between the Thomaskantor position and the Gewandhaus directorship, as well as public concerts with a distinctly sacred flavor. Late in the century, as church attendance faltered and demand for subscription concerts rose, the Gewandhaus dominated the musical life of Leipzig, influencing church music programming in turn. Examining liturgical documents, orchestral programs, and dozens of unpublished works of church and concert music, ***Leipzig After Bach*** sheds new light on a century that redefined the relationship between sacred and secular musical institutions.

Sacred Choral Music in Print Mar 17 2022

Reformation Observances: 1517-2017 Jul 29 2020 The year 2017 marks the five-hundredth anniversary of the Reformation, if that event is dated from the posting of Martin Luther's Ninety-Five Theses. Admittedly, 2017 is an arbitrary and somewhat artificial milestone. Nevertheless, anniversaries can be special occasions that allow for an appreciation and evaluation of memorable persons and events. As a number of Reformation anniversaries approach, the historical significance of the Reformation merits increased attention. Employing a variety of historiographical methods from intellectual history to postcolonial theory, this volume demonstrates how four major traditions observed the Reformation: Lutheran, Anglican, Reformed, and Roman Catholic. The foreword and preface place the essays into the contemporary and broader historical contexts in the history of reform. Commemorations of the Reformation varied in different periods, often influenced by immediate historical contexts. How are those sixteenth-century events, which caused both renewal and conflict in church and society as well as divisions between those expressions, to be viewed in the twenty-first century in a setting broader than Europe?

Nun danket alle Gott Sep 23 2022

Schütz-Jahrbuch / Schütz-Jahrbuch 2017, 39. Jahrgang Jan 03 2021 Das Schütz-Jahrbuch 2017 enthält in seinem Hauptteil die Texte der Referate des Internationalen Heinrich-Schütz-Festes Den Haag 2016, die sich in das Themenfeld "Explicatio Textus - Heinrich Schütz, Max Reger, Siegfried Reda" einordnen. Helmut Lauterwasser und Stefan Steinemann stellen ein musikalisches Stammbuch im Umfeld des Geistlichen Ministeriums zu Braunschweig aus dem 17. Jahrhundert vor, Matteo Messori und Anna Katarzyna Zareba berichten über neue biographische und musikalische Funde zu Vincenzo Albrici (1631-1687), und Bernd Koska diskutiert ein Schmalkalder Noteninventar im Blick auf das geistliche Vokalwerk Georg Ludwig Agricolas. Weitere Beiträge von Aagje Pabbruwe, Roman Summereder und Pieter Dirksen bereichern den Band.

The Thematic Catalogue of the Musical Works of Johann Pachelbel Nov 01 2020 The Thematic Catalogue of the Musical Works of Johana Pachelbel provides scholars and performers with a survey of the breadth and variety of the repertoire of the composer described by Christoph Wolff as "one of the most seminal and influential musicians of the pre-Bach generation in Germany." Pachelbel composed the majority of his 527 works for keyboard instruments, as well as choral, vocal, and chamber music, and this Thematic Catalogue presents incipits for those that can be identified. The list of works is intended to determine the totality of the corpus and knowledge about it, establish the best means of identifying each work, and settle problems of identity among similarly titled works. An essay on authorities examines the controversies over the authenticity of Pachelbel's manuscripts. Meticulously compiled with copious notes and comments, this unique volume will be invaluable to those already familiar with Pachelbel's compositions and will create new interest among those who were aware only of the universally loved canon movement of his Canon and Gigue in D.

Bach 371 Chorales May 07 2021 Total 371, Nos. 199-371 in this volume. Volume 2 of Bach's historic settings of the chorales. C. P. E. Bach said of these chorales: "Those connoisseurs of the art of harmonizing and composing settings will likewise not withhold their praise when they observe with appropriate attentiveness the very unusual manner my father uses to set up harmony in these

settings, the natural flow of the inner voices as well as the bass, factors which set these chorale settings apart from any others." The comb binding creates a lay-flat book that is perfect for study and performance.

Littell's Living Age Nov 20 2019

Johann Sebastian Bach Jun 27 2020

Nun danket alle Gott Aug 22 2022

God of the Splitsecond Mar 05 2021 God of the Splitsecond relates to events that are more than mere coincidences. The book of short stories starts with "Emma on the Road" as the first event the author remembers as a child seeing God in action. The other event is "Babushka in the Field" which happened 50 years and 5 seconds later, from which she coined the title of this book. The most dramatic is the "Berlin Exodus through the Red Sea", where over a thousand Mennonites escaped in a freight train unnoticed by the Soviets to get to Paraguay. The book covers the period from World War II to the present. It includes many other "God of the Splitsecond" events in the lives of Corrie ten Boom, Livingstone, Squanto, Dayuma of the Aucas, Schaeffer's L'Abri, and others. It encourages the readers to see the hand of Providence in their own lives. The original version of this book was written for the grandchildren of the author's family, for whom she made some 300 drawings to illustrate each story. Trudy Morrow, M.A., was born in 1933 in a 200-year old German colony in Eastern Europe. In the upheaval of 1940, Hitler had multitudes of ethnic people removed from their homeland and resettled in Poland and the so-called "Reich". She remembers wartime experiences and life as refugees in West Germany, but values the blessings of her American home in New England for over 40 years. The author has a Masters degree in social psychology from the University of New Haven, worked as secretary, administrator, educator, and medical translator for many years. She is the widow of an Anglican pastor and was involved in Christian education, art, and philosophy. She developed the Otaspeed-Writing System™ (www.otaspeedwriting.com) and is the founder of Otawit Institute™, Apologetics for Teens (www.otawit.com).

The Archive of the Sing-Akademie zu Berlin. Catalogue / Das Archiv der Sing-Akademie zu Berlin. Seit 2001 wurde der über 260.000 Seiten umfassende Bestand an Autographen und Abschriften aus dem 17. bis frühen 19. Jhd. von den Herausgebern durchgesehen. Der Katalog enthält ein Signaturen- und ein Komponistenregister, welche einen detailgenauen Zugriff auf das Notenmaterial ermöglichen sowie eine Konkordanz Signatur-Mikrofiche. Neun wissenschaftliche Beiträge führen in die Sammlung ein.

Nun danket alle Gott Apr 18 2022

Johann Sebastian Bach Jan 15 2022 Discusses Bach's musical accomplishments through the stages of his life, from his humble origins as a self-taught court musician to his role as kapellmeister and cantor of St. Thomas's Church.

Brahms and the German Spirit Feb 22 2020 Beller-McKenna counters music historians's reluctance to address Brahms's Germanness, wary perhaps of fascist implications. He gives an account of the intertwining of nationalism, politics, and religion that underlies major works, and enriches both our understanding of his art and German culture.

Piety in Song Jan 23 2020 Hymns are lasting expressions of faith and worship.

Hymns in German piety were written to serve as meditations and to teach individuals how to become better followers of Jesus. This volume examines the thinking and influences which shaped the hymns which the Brethren chose to write and sing, revealing a great deal to the modern reader about their journey of faith and the spiritual progress of the movement from its beginnings to the present day. Specific attention is given to examples of hymn texts which highlight the distinctive themes and characteristics of Brethren spirituality in the various eras of Brethren life and thought.

The Cantatas of J. S. Bach Jul 21 2022 This is the only English translation of this important book by the world's most distinguished Bach scholar. This work is widely regarded as the most authoritative and comprehensive treatment of the Bach cantatas. It begins with a historical survey of the seventeenth-century background to the cantatas, and performance practice issues. The core of the book is a work-by-work study in which each cantata in turn is represented by its libretto, a synopsis of its movements, and a detailed analytical commentary. This format makes it extremely useful as a reference work for anyone listening to, performing in, or studying any of the Bach cantatas. All the cantata librettos are given in German-English parallel text. For the English edition the text has been carefully revised to bring it up to date, taking account of recent Bach scholarship.

Geoffrey Tristram Feb 16 2022 For nearly thirty years, Geoffrey Oliver Tristram (GOT) was the celebrated Organist and Master of the Choristers at Christchurch Priory. He set a high standard for both organ performance and choral direction still widely revered and celebrated. This book charts GOT's life from his birth in Stourbridge, Worcestershire, in 1917 to his sudden death at the age of just 61. It looks at his career as student, teacher, choirmaster, accompanist and, especially, celebrated recitalist, at home and abroad. Drawing heavily on primary source material, including family archives and photographs, the book is complemented and underpinned by the memories and reminiscences of relations, friends, colleagues, peers, and others. It includes many contemporary reviews of his performances, right from his early days as a teenage Fellow of the Royal College of Organists until his last masterly recitals. Appendices give details about Tristram's recitals, broadcasts, and recordings, alongside specifications of the instruments at Christchurch Priory. The book also provides access to a selection of previously unreleased recordings made in the 1960s and early 1970s. Geoffrey Tristram: A Very British Organist, paints a rich picture of the man (husband, father, friend) and the musician, a player who had a significant influence on generations of organists and singers.

Hymnbook 1982 Sep 18 2019

Now thank we all our God Nov 13 2021 Contains organ music for Praise and Thanksgiving. This work includes 18 pieces, each based on one of five chorales: Ein feste Burg, Gelobet sei Gott, Herr Gott, dich loben alle wir, Lobe den Herren and Nun danket alle Gott by J C Bach, J S Bach, Buxtehude, Kauffmann, Merkel, Micheelson, Oley, J Pachelbel, Reger and J G Walth

Organ Literature Dec 02 2020 This third edition is a basic textbook on the development of pipe organ composition in geographically diverse schools. Its nineteen chapters include charts of organ composers and a historical background of contemporary events and figures for each organ composition school. Chapter bibliographies cover readings published in the seventies, eighties, and early nineties. A listing of Bach organ compositions with pagination

of various editions is also included.

Johann Sebastian Bach Aug 10 2021 This monumental study of Johann Sebastian Bach ranks among the great classics of musicology. Since its first publication in 1873-80, it has remained the basic work on Bach and the foundation of later research and study. The three-part treatment describes in chronological sequence practically everything that is known of the composer's life: his ancestry, his immediate family, his associations, his employers, and the countless occasions on which his musical genius emerged. Author Philipp Spitta accompanies this biographical material with quotations from primary sources: correspondence, family records, diaries, official documents, and more. In addition to biographical data, Spitta reviews Bach's musical production, with analyses of more than 500 pieces, covering all the important works. More than 450 musical excerpts are included in the main text, and a 43-page musical supplement illustrates longer passages. Despite the scholarly nature of this work, it also has the rare distinction of being a study that can be read with considerable enjoyment and great profit by every serious music lover, with or without a substantial background in the history of music or musical theory.

Hamburgischer Liederkrantz. [Edited by J. D. Runge.] May 19 2022

The Faber Pocket Guide to Bach Jul 09 2021 The music of J.S.Bach has a unique power and attraction some 300 years after it was written. From annual performances of the great Passions and BBC Radio 3's hugely successful Bach Christmas, to its use in adverts, films and popular arrangements, the imaginative strength of Bach's music continues to draw listeners to explore its mysteries. This new Pocket Guide looks at all Bach's music, sacred and secular, and explores why he speaks so profoundly to our age about both the spiritual and the sensual in life. Among the features of this easy-to-use book: The Bach Top Ten Bach: The music work by work Performing Bach today Bach: The life year by year What people said about Bach Accessible and easy to use, Nicholas Kenyon provides for the first time an up-to-date survey of all Bach's major works in the light of the latest research, from Masses to Cantatas, Concertos to Suites, and recommends the best CDs and further reading.
