A powerful journey of forgiveness, self-discovery, and healing. After abandoning her old life when her boyfriend betrayed her and left her all alone, Claudia embarks on an impromptu travel to see the world, find somewhere new to call home, and take her mind off the ruins of the future she had planned for them both. Her path brings her to two strangers, each with a unique story to tell. Their wisdom, masked beneath ordinary people, inspire, and empower her to heal and understand the true power of forgiveness. Intertwining her personal journey with an eye-opening look at the subtle relationship red flags which anybody in love can easily overlook or explain away, Claudia's story shows her how to recover from a bad breakup and emerge a stronger, happier person full of forgiveness and healing. Combining a poignant narrative with rich characterization and thought-provoking wisdom which will rub off on your own life, the second book in the I Am The One series is a must-read for anyone who loves contemporary short fiction and literary drama. Prayers, a devotional, and journaling included. FREE weekly devotional when you sign up at www.sherylynne.com. Scroll up and grab your copy now. Are you frustrated by stymied relationships, missed connections, and the loneliness of the search for someone to spend the rest of your life with? Are you ready, instead, to find "The One"? In Calling in "The One," Katherine Woodward Thomas shares her own personal experience to show women that in order to find the relationship that will last a lifetime, you have to be truly open and ready to create a loving, committed, romantic union. Calling in "The One" shows you how. Based on the Law of Attraction, which is the concept that we can only attract what we're ready to receive, the provocative yet simple seven-week program in Calling in "The One" prepares you to bring forth the love you seek. For each of the 49 days of Thomas's thoughtful and life-affirming plan, there is a daily lesson, a corresponding practice, and instruction for putting that lesson into action in your life. Meditation, visualization, and journaling exercises

will gently lead you to recognize the obstacles on your path to love and provide ways to steer around them. At the end of those 49 days, you will be in the ideal emotional state to go out into the world and find "The One." An inspirational approach that offers a radical new philosophy on relationships, Calling in "The One" is your guide to finding the love you seek. Here are 365 classic hymn texts, along with stories of how they came to be written. This is an ideal startling point for personal or family devotions. Christianity, Islam, and the One True God is an enlightening work of interfaith theology by philosopher and author Steven Colborne. Every person of faith wants to have peace with God. But how can we be sure that our chosen religion, rather than the religion of millions of others, is the right way? This is why interfaith dialogue is a critically important subject and why Steven Colborne was motivated to write this full-length book comparing and contrasting the religions of Christianity and Islam. Colborne is best known as a prolific writer in the philosophical theology genre. As well as having authored more than fifteen books, Colborne also runs the popular and award-winning Perfect Chaos philosophy blog. Colborne has been posting regularly on the blog for over 10 years, and his articles on the blog exploring interfaith matters, written between 2020 and 2022, form the basis of the 40 chapters that comprise Christianity, Islam, and the One True God. Some of the key themes of the book include the following: - The nature and attributes of God - The Bible and the Qur'an - The person and nature of Jesus Christ - The concept of the Trinity - New Testament textual criticism - The hadith literature in Islam - The alleged crucifixion of Jesus Christ - Religious conflict - The day of judgement - Divine justice ...as well as philosophical reflections on many other related subjects. Despite the fact that Judaism isn't mentioned in the book's title, many of the articles that comprise the book are relevant to Jewish theology. The book will appeal to adherents of all three of the major Abrahamic religions, as well as to people from any other faith background. Colborne's provocative 2019 book titled God's Grand Game: Divine Sovereignty and the Cosmic Playground has been read many thousands of times and served to establish Colborne as a leading thinker in the field of contemporary philosophical theology. Christianity, Islam, and the One True God builds upon the deeply insightful and original philosophical perspective presented in God's Grand Game, but it is also a standalone work of profound importance. In an age of widespread scepticism concerning matters of faith, Steven Colborne has produced a groundbreaking book, written in clear and accessible language, that will provoke readers to think deeply and differently about interfaith dialogue and all the fundamental questions surrounding our existence. The book is essential reading for anyone interested in philosophy, religion, or spirituality. Although the Victorians were awash in texts, the Bible was such a pervasive and dominant presence that they may fittingly be thought of as 'a people of one book'. They habitually read the Bible, quoted it, adopted its phraseology as their own, thought in its categories, and viewed their own lives and experiences through a scriptural lens. This astonishingly deep, relentless, and resonant engagement with the Bible was true across the religious spectrum from Catholics to Unitarians and beyond. The scripture-saturated culture of nineteenth-century England is displayed by Timothy Larsen in a series of lively case studies of representative figures ranging from the Quaker prison reformer Elizabeth Fry to the liberal Anglican pioneer of nursing Florence Nightingale to the Baptist preacher C. H. Spurgeon to the Jewish author Grace Aguilar. Even the agnostic man of science T. H. Huxley and

the atheist leaders Charles Bradlaugh and Annie Besant were thoroughly and profoundly preoccupied with the Bible. Serving as a tour of the diversity and variety of nineteenth-century views, Larsen's study presents the distinctive beliefs and practices of all the major Victorian religious and sceptical traditions from Anglo-Catholics to the Salvation Army to Spiritualism, while simultaneously drawing out their common, shared culture as a people of one book. Nora Roberts, the #1 New York Times bestselling author of the epic Year One returns with Of Blood and Bone, a new tale of terror and magick in a brand new world. They look like an everyday family living an ordinary life. But beyond the edges of this peaceful farm, unimaginable forces of light and dark have been unleashed. Fallon Swift, approaching her thirteenth birthday, barely knows the world that existed before—the city where her parents lived, now in ruins and reclaimed by nature since the Doom sickened and killed billions. Traveling anywhere is a danger, as vicious gangs of Raiders and fanatics called Purity Warriors search for their next victim. Those like Fallon, in possession of gifts, are hunted—and the time is coming when her true nature, her identity as The One, can no longer be hidden. In a mysterious shelter in the forest, her training is about to begin under the guidance of Mallick, whose skills have been honed over centuries. She will learn the old ways of healing; study and spar; encounter faeries and elves and shifters; and find powers within herself she never imagined. And when the time is right, she will take up the sword, and fight. For until she grows into the woman she was born to be, the world outside will never be whole again. The Miracle! In this book Nicholas presents you a practical, unique, subliminal, very simple, detailed method of how to Find True Compatibility and the One Who's Right for You. You will feel the effects immediately and the results will appear very quickly! So it was in my case. You will not achieve fulfillment and happiness until YOU become the architect of your own reality. Imagine that with a few moments each day, you could begin the powerful transformation toward complete control of your own life and well being through this unique, subliminal method combined with positive affirmations. The order of words is extremely important for every book written by Nicholas. These are arranged to be traversed in a certain way so as to eliminate certain blockages in the human being, blockages that are bringing disease or failure on various plans. You don't need a big chunk of your time or expensive programs. Everything is extremely simple! Health, money, prosperity, abundance, safety, stability, sociability, charisma, sexual vitality, erotic attraction, will, optimism, perseverance, self-confidence, tenacity, courage, love, loving relationships, self-control, self-esteem, enthusiasm, refinement, intuition, detachment, intelligence, mental calm, power of concentration, exceptional memory, aspiration, transcendence, wisdom, compassion. You have the ability to unlock your full inner-potential and achieve your ultimate goals. This is the age-old secret of the financial elite, world class scholars, and Olympic champions. For example, when you watch the Olympics, you'll find one consistency in all of the champions. Each one closes their eyes for a moment and clearly affirms & visualizes themselves completing the event flawlessly just before starting. Then they win gold medals and become champions. That's merely one example of how the real power of mind can elevate you above any of life's challenges. By reading this book, you will feel totally that life deserves to be lived and enjoyed every moment and that everything that you propose for yourself becomes easy for you to fulfill. Nicholas will guide you to touch your longed-for dream and will make you see life from a new perspective,

full of freshness and success. This book helps you step by step, in a natural way, in just 3 minutes a day, to change your misguided way of thinking and to Find True Compatibility and the One Who's Right for You. (NOTE: For good, Nicholas keep the price of the book as lower as he can, even if is a hard work behind this project. A significant portion of the earnings from the sale of the book are used for these purposes: for charity, volunteer projects, nature restoration, and other inspired ideas to do good where it is needed. If you can not afford to buy the book please contact Nicholas and he will give you a free copy.) You, also have a bonus in the pages of the book that makes you live your success by doing a seemingly trivial thing. You will feel the difference. Yes. The Miracle is possible! Get Your Copy Now! In the thirty-five years since China instituted its One-Child Policy, 120,000 children—mostly girls—have left China through international adoption, including 85,000 to the United States. It's generally assumed that this diaspora is the result of China's approach to population control, but there is also the underlying belief that the majority of adoptees are daughters because the One-Child Policy often collides with the traditional preference for a son. While there is some truth to this, it does not tell the full story—a story with deep personal resonance to Kay Ann Johnson, a China scholar and mother to an adopted Chinese daughter. Johnson spent years talking with the Chinese parents driven to relinquish their daughters during the brutal birth-planning campaigns of the 1990s and early 2000s, and, with *China's Hidden Children*, she paints a startlingly different picture. The decision to give up a daughter, she shows, is not a facile one, but one almost always fraught with grief and dictated by fear. Were it not for the constant threat of punishment for breaching the country's stringent birth-planning policies, most Chinese parents would have raised their daughters despite the cultural preference for sons. With clear understanding and compassion for the families, Johnson describes their desperate efforts to conceal the birth of second or third daughters from the authorities. As the Chinese government cracked down on those caught concealing an out-of-plan child, strategies for surrendering children changed—from arranging adoptions or sending them to live with rural family to secret placement at carefully chosen doorsteps and, finally, abandonment in public places. In the twenty-first century, China's so-called abandoned children have increasingly become "stolen" children, as declining fertility rates have left the dwindling number of children available for adoption more vulnerable to child trafficking. In addition, government seizures of locally—but illegally—adopted children and children hidden within their birth families mean that even legal adopters have unknowingly adopted children taken from parents and sent to orphanages. The image of the "unwanted daughter" remains commonplace in Western conceptions of China. With *China's Hidden Children*, Johnson reveals the complex web of love, secrecy, and pain woven in the coerced decision to give one's child up for adoption and the profound negative impact China's birth-planning campaigns have on Chinese families. What happened on this date in church history? From ancient Rome to the twenty-first century, from peasants to presidents, from missionaries to martyrs, this book shows how God does extraordinary things through ordinary people every day of the year. Each story appears on the day and month that it occurred and includes questions for reflection and a related Scripture verse. Illustrated text of the Sweet Honey in the Rock song celebrating the unity of humankind. Discover the unforgettable world of best friends Ivan and Bob in this collection, including the Newbery

Medal-winning *The One and Only Ivan* and its incredible sequel, *The One and Only Bob!* Ivan is an easy-going gorilla. Living at the Exit 8 Big Top Mall and Video Arcade, he has grown accustomed to humans watching him through the glass walls of his domain. He rarely misses his life in the jungle. Mostly, he thinks about art. Then he meets Ruby, a baby elephant taken from her family, and she makes Ivan see their home—and his own art—through new eyes. When Ruby arrives, change comes with her, and it's up to Ivan to make it a change for the better. Continuing the story of these friends in *The One and Only Bob*, Bob sets out on a dangerous journey in search of his long-lost sister with the help of Ivan and Ruby. As a hurricane approaches and time is running out, Bob finds courage he never knew he had and learns the true meaning of friendship and family. Is there such a thing as "the one"? Does God actually have a sovereign plan for your future marriage? How will God reveal "the one" to you? Can you miss God's will for your relationships? If you've ever asked questions like these and want biblical answers, this book is for you. God does have a plan for your future marriage and you can know what that plan is. This book answers 12 of the most commonly asked questions regarding God's will and Christian relationships. At the end of each chapter, five questions are also included for small group Bible studies or for personal reflection. The topics covered include:

- 1. Is There Such a Thing as "The One"?**
- 2. Does God's Will Always Happen in Relationships?**
- 3. How Does God's Sovereignty and Man's Responsibility Work Together in Relationships?**
- 4. Does Your Sin and Satan's Temptation Cancel Out God's Sovereign Plan for Your Future Marriage?**
- 5. Why Pray About Your Future Marriage in Your Singleness If God Is Sovereign?**
- 6. Why Is God Waiting to Show You the Date He Has Set for Your Wedding Day?**
- 7. How Will God Reveal The One to You? (Part 1: Through His Word)**
- 8. How Will God Reveal The One to You? (Part 2: Through His Spirit)**
- 9. How Will God Reveal The One to You? (Part 3: Through Your Circumstances)**
- 10. What Should You Do If You Are Not Sure If God Is Revealing The One to You?**
- 11. Does God Ever Speak Through Dreams and "Prophetic Words" About Relationships?**
- 12. How Can You Overcome the Fear of the Unknowns and Move Forward Towards Your Future Marriage?**

This book is a collection of lecture notes for the LIASFMA Shanghai Summer School on 'One-dimensional Hyperbolic Conservation Laws and Their Applications' which was held during August 16 to August 27, 2015 at Shanghai Jiao Tong University, Shanghai, China. This summer school is one of the activities promoted by Sino-French International Associate Laboratory in Applied Mathematics (LIASFMA in short). LIASFMA was established jointly by eight institutions in China and France in 2014, which is aimed at providing a platform for some of the leading French and Chinese mathematicians to conduct in-depth researches, extensive exchanges, and student training in the field of applied mathematics. This summer school has the privilege of being the first summer school of the newly established LIASFMA, which makes it significant. DigiCat Publishing presents to you this special edition of "One Day's Courtship, and The Heralds of Fame" by Robert Barr. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature. An Instant #1 New York Times Bestseller! A Publishers Weekly Bestseller! Leading actor, producer and director Channing Tatum's picture book debut, *The One and Only Sparkella* is a charming

*ode to self-esteem and the love between a father and daughter—illustrated by Kim Barnes. Ella is excited for her first day at a new school. Glimmering pencil case? Check! Shimmering backpack? Check! Glittery ribbons in her hair? Check! She can't wait to meet the other kids and share her sparkly personality. But her first day doesn't go quite as planned: Her new classmates don't like her disco-ball shoes, her PB&J-with-sprinkles sandwich, or her rainbow-y unicorn painting. Ella decides to try to be less sparkly at school the next day so the other kids won't make fun of her. But with a little help from her dad, she soon learns the importance of just being herself, no matter what other people say. A gothic twist on the classic tale of innocents abroad, **THE ZERO AND THE ONE** is a meditation on the seductions of friendship and the power of dangerous ideas that registers the dark, psychological suspense of Patricia Highsmith's *The Talented Mr. Ripley* and the intellectual and philosophical intrigue of John Banville's *The Book of Evidence*. A shy, bookish scholarship student from a working-class family, Owen Whiting has high hopes of what awaits him at Oxford, only to find himself adrift and out of place among the university's dim aristocrats and posh radicals. But his life takes a dramatic turn when he is assigned to the same philosophy tutorial as Zachary Foedern, a visiting student from New York City. Rich, brilliant, and charismatic, Zach takes Owen under his wing, introducing him to a world of experiences Owen has only ever read about. From the quadrangles of Oxford to the seedy underbelly of Berlin, they practice what Zach preaches, daring each other to transgress the boundaries of convention and morality, until Zach proposes the greatest transgression of all: a suicide pact. But when Zach's plans go horribly awry, Owen is left to pick up the pieces in the sleek lofts and dingy dives of lower Manhattan. Now he must navigate the treacherous boundary between illusion and reality if he wants to understand his friend and preserve a hold on his once bright future. When it is taught today, metaphysics is often presented as a fragmented view of philosophy that ignores the fundamental issues of its classical precedents. Eschewing these postmodern approaches, W. Norris Clarke finds an integrated vision of reality in the wisdom of Aquinas and here offers a contemporary version of systematic metaphysics in the Thomistic tradition. **The One and the Many** presents metaphysics as an integrated whole which draws on Aquinas' themes, structure, and insight without attempting to summarize his work. Although its primary inspiration is the philosophy of St. Thomas himself, it also takes into account significant contributions not only of later philosophers but also of those developments in modern science that have philosophical bearing, from the Big Bang to evolution. The stunning beginning to an epic hardcover trilogy, #1 New York Times bestselling author Nora Roberts weaves an enthralling saga of suspense, survival, and the journey that will unite a desperate group of people to fight the battle of their lives... Let your best buds know that you'll be there for them with this DIY gift book inspired by the gang from *Friends*: Rachel, Ross, Joey, Monica, Phoebe, and Chandler. Whether or not your best pal has hair as awesome as Rachel, cooks like Monica, sings like Phoebe, or is as smooth as Joey, this is the perfect way to let them know you're friends for life. Once you fill in the prompts, this book becomes a personalized gift full of ridiculous, potentially embarrassing, or sweet expressions of appreciation that are as quirky as your favorite friends. It's up to you! This attractive book features full-color photography from *Friends* throughout. #1 NEW YORK TIMES BESTSELLER • The brilliant coming-of-age-and-into-superstardom story of one of the greatest artists of all time, in his own*

words—featuring never-before-seen photos, original scrapbooks and lyric sheets, and the exquisite memoir he began writing before his tragic death NAMED ONE OF THE BEST MUSIC BOOKS OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW AND ONE OF THE BEST BOOKS OF THE YEAR BY THE WASHINGTON POST AND THE GUARDIAN • NOMINATED FOR THE NAACP IMAGE AWARD

Prince was a musical genius, one of the most beloved, accomplished, and acclaimed musicians of our time. He was a startlingly original visionary with an imagination deep enough to whip up whole worlds, from the sexy, gritty funk paradise of “Uptown” to the mythical landscape of Purple Rain to the psychedelia of “Paisley Park.” But his most ambitious creative act was turning Prince Rogers Nelson, born in Minnesota, into Prince, one of the greatest pop stars of any era. The Beautiful Ones is the story of how Prince became Prince—a first-person account of a kid absorbing the world around him and then creating a persona, an artistic vision, and a life, before the hits and fame that would come to define him. The book is told in four parts. The first is the memoir Prince was writing before his tragic death, pages that bring us into his childhood world through his own lyrical prose. The second part takes us through Prince’s early years as a musician, before his first album was released, via an evocative scrapbook of writing and photos. The third section shows us Prince’s evolution through candid images that go up to the cusp of his greatest achievement, which we see in the book’s fourth section: his original handwritten treatment for Purple Rain—the final stage in Prince’s self-creation, where he retells the autobiography of the first three parts as a heroic journey. The book is framed by editor Dan Piepenbring’s riveting and moving introduction about his profound collaboration with Prince in his final months—a time when Prince was thinking deeply about how to reveal more of himself and his ideas to the world, while retaining the mystery and mystique he’d so carefully cultivated—and annotations that provide context to the book’s images. This work is not just a tribute to an icon, but an original and energizing literary work in its own right, full of Prince’s ideas and vision, his voice and image—his undying gift to the world. Personal interactions are the single most effective way for teachers to understand and evaluate their student as learners. Responding specifically to new Common Core State Standards in reading and writing, this book introduces pre- and inservice teachers to a method of one-on-one interaction the authors refer to as the “stretch conference.” This book provides detailed practical advice on the logistics of implementing these conferences during the busy school day, including tips on how and when to schedule conferences and how to successfully manage the classroom during conference time. The authors argue that, rather than using valuable conference time for word-level concerns and editing, teachers should focus on more ambitious goals that will deepen (or “stretch”) students’ skills in comprehension and writing. This resource suggests where conferences fit in with other important pieces of literacy instruction; introduces a variety of high-quality cues to use during conferences; and shows how conferences can function as formative assessment for reading and writing skills.

Book Features: Written by two veteran teacher educators who conduct frequent workshops and professional development with teachers. Helps teachers adjust their instruction for the demands of Common Core Standards, specifically Reading Anchor Standards 1 and 10, and Writing Standards 1-5 and 10. Shows teachers how to schedule individual conferences within typical classroom time constraints. Includes many detailed examples of effective conferences taken

from real classrooms. "A roadmap for engaging students in conversations that will change their understanding. Frankly, it's an amazing resource and one that has changed my thinking about classroom instructional time." —From the Foreword by Douglas Fisher, San Diego State University "A critical opportunity to reflect on our practice, examining whether the content of our conferences is aligned with the rigorous expectations of the Common Core." —Sunday Cummins, literacy consultant and author

An ironically upbeat book that asks some of today's most inimitable musicians which song they would choose to be the last one they ever hear. If you could choose the last song you'd hear before you died, what would it be and why? Your favorite song of all time? Perhaps the one you danced to at your wedding? The song from that time you got super stoned and just let the chords speak to you? It's a hard question that Mike Ayers has thought about for years. In *One Last Song*, Ayers invites 30 musicians to consider what song they would each want to accompany them to those pearly white gates. Weaving together their explanations with evocative illustrations and poignant interludes—what your song to die to says about you, what songs famous people have died to, and more. The book offers insight into the minds of famous artists and provides an entry point for considering how integral music is to our own personal narratives. Artists Featured: Jim James of *My Morning Jacket*, André 3000, Killer Mike, Jeff Tweedy of *Wilco*, Phoebe Bridgers, Richard Reed Parry of *Arcade Fire*, Sam Beam of *Iron & Wine*, Colin Meloy of the *Decemberists*, Wayne Coyne of *The Flaming Lips*, Lauren Mayberry of *CHVRCHES*, A.C. Newman of *The New Pornographers*, Courtney Barrett, Bobb Bruno of *Best Coast*, Angel Olsen, Regina Spektor, Kevin Morby, Will Oldham, Julia Holter, Margo Price, Sonny Rollins, Ryley Walker, Merrill Garbus of *tUnE-yArDs*, Yannis Phillippakis of *Foals*, Bettye Lavette, M.C. Taylor of *The Golden Messenger*, Wanda Jackson, Roseanne Cash, Lucinda Williams, and Beth Orton. A #1 *New York Times* bestseller! "Good dog Bob. Great to have a best friend."—Danny DeVito

Return to the unforgettable world of the Newbery Medal-winning and #1 *New York Times* bestselling novel *The One and Only Ivan* in this incredible sequel, starring Ivan's friend Bob! This acclaimed middle grade novel is an excellent choice for tween readers in grades 5 to 8, for independent reading, homeschooling, and sharing in the classroom. Emmy Award-winning ABC News chief national correspondent and *Nightline*

coanchor, Byron Pitts shares the heartbreaking and inspiring stories of six young people who overcame impossible circumstances with extraordinary perseverance. Abuse. Bullying. War. Drug Addiction. Mental Illness. Violence. None of these should be realities for anyone, much less a young person. But for some it is the only reality they have ever known. In these dark circumstances, six teens needed someone to "be the one" for them—the hero to help them back into the light. For Tania, Mason, Pappy, Michaela, Ryan, and Tyton, that hero was themselves. Through stirring interviews and his award-winning storytelling, Byron Pitts brings the struggles and triumphs of these everyday heroes to teens just like them, encouraging all of us to be the source of inspiration in our own lives and to appreciate the lives of others around us. In Jesus, the One and Only, best-selling author and Bible teacher Beth Moore invites you to know Christ personally. Watch and listen as He breaks up a funeral by raising the dead, confronts conniving religious leaders of His day, teaches on a Galilean hillside, or walks on the waves and calms the storm. Like a ragtag band of followers two thousand years ago, you will never be the same again after such an up close and personal encounter. "He is Jesus, the One and Only, transcendent over all else," writes Moore. "To know Him is to love Him. To love Him is to long for Him. To long for Him is to finally reach soul hands into the One true thing we need never get enough of . . . Jesus Christ. He's all you need." Available for the first time in eBook, this new edition also features an excerpt from Moore's Jesus, the One and Only Bible study. India and the Quest for One World revolutionizes the history of human rights, with dramatic impact on some of the most contentious debates of our time, by capturing the exceptional efforts of Mahatma Gandhi and the Nehrus to counter the divisions of the Cold War with an uplifting new vision of justice built on the principle of "unity in diversity." Gathers traditional Black play songs, including "Little Sally Walker," "Hambone," "Loop de Loo," "All the Pretty Little Horses," "Short'ning Bread," and "Kumbaya." The Best Tool of the Millennium The seeds of Rybczynski's elegant and illuminating new book were sown by The New York Times, whose editors asked him to write an essay identifying "the best tool of the millennium." The award-winning author of Home, A Clearing in the Distance, and Now I Sit Me Down, Rybczynski once built a house using only hand tools. His intimate knowledge of the toolbox -- both its contents and its history -- serves him beautifully on his quest. One Good Turn is a story starring Archimedes, who invented the water screw and introduced the helix, and Leonardo, who sketched a machine for carving wood screws. It is a story of mechanical discovery and genius that takes readers from ancient Greece to car design in the age of American industry. Rybczynski writes an ode to the screw, without which there would be no telescope, no microscope -- in short, no enlightenment science. One of our finest cultural and architectural historians, Rybczynski renders a graceful, original, and engaging portrait of the tool that changed the course of civilization. #1 NEW YORK TIMES BESTSELLER • Now a major motion picture directed by Steven Spielberg. From bestselling author of the remarkable memoir, *The Distance Between Us* comes an inspiring account of one woman's quest to find her place in America as a first-generation Latina university student and aspiring writer determined to build a new life for her family one fearless word at a time. "Here is a life story so unbelievable, it could only be true" (Sandra Cisneros, bestselling author of *The House on Mango Street*). As an immigrant in an unfamiliar country, with an indifferent mother and abusive father, Reyna had few resources at her disposal. Taking refuge in words, Reyna's love of reading and writing propels her to rise above until she achieves the impossible and is accepted to the University of California, Santa Cruz. Although her acceptance is a triumph, the actual experience of American college life is intimidating and unfamiliar for someone like Reyna, who is now estranged from her family and support system. Again, she finds solace in words, holding fast to her vision of becoming a writer, only to discover she knows nothing about what it takes to make a career out of a dream. Through it all, Reyna is determined to make the impossible possible, going from undocumented immigrant of little means to "a fierce, smart, shimmering light of a writer" (Cheryl Strayed, author of *Wild*); a National Book Critics Circle Award Finalist whose "power is growing with every book" (Luis Alberto Urrea, Pulitzer Prize finalist); and a proud mother of two beautiful children who will never have to know the pain of poverty and neglect. Told in Reyna's exquisite, heartfelt prose, *A Dream Called Home* demonstrates how, by daring to pursue her dreams, Reyna was able to build the one thing she had always longed for: a home that would endure. • More than 500 appearances on national bestseller lists • #1 Wall Street Journal, New York Times, and USA Today • Won 12 book awards • Translated into 35 languages • Voted Top 100 Business Book of All Time on Goodreads

People are using this simple, powerful concept to focus on what matters most in their personal and work lives. Companies are helping their employees be more productive with study groups, training, and coaching. Sales teams are boosting sales. Churches are conducting classes and recommending for their members. By focusing their energy on one thing at a time people are living more rewarding lives by building their careers, strengthening their finances, losing weight and getting in shape, deepening their faith, and nurturing stronger marriages and personal relationships. YOU WANT LESS. You want fewer distractions and less on your plate. The daily barrage of e-mails, texts, tweets, messages, and meetings distract you and stress you out. The simultaneous demands of work and family are taking a toll. And what's the cost? Second-rate work, missed deadlines, smaller paychecks, fewer promotions--and

lots of stress. AND YOU WANT MORE. You want more productivity from your work. More income for a better lifestyle. You want more satisfaction from life, and more time for yourself, your family, and your friends. NOW YOU CAN HAVE BOTH — LESS AND MORE. In *The ONE Thing*, you'll learn to * cut through the clutter * achieve better results in less time * build momentum toward your goal* dial down the stress * overcome that overwhelmed feeling * revive your energy * stay on track * master what matters to you *The ONE Thing* delivers extraordinary results in every area of your life--work, personal, family, and spiritual. WHAT'S YOUR ONE THING? A six-year-old (*The Pain*) and his eight-year-old sister (*The Great One*) see each other as troublemakers and the best-loved in the family. This book covers *Adavaita Makranda* it means honey found in flowers. The upanisad mantras like a flower many are chanting and enjoy this flower. Bestselling author Alex Kotlowitz is one of this country's foremost writers on the ever explosive issue of race. In this gripping and ultimately profound book, Kotlowitz takes us to two towns in southern Michigan, St. Joseph and Benton Harbor, separated by the St. Joseph River. Geographically close, but worlds apart, they are a living metaphor for America's racial divisions: St. Joseph is a prosperous lakeshore community and ninety-five percent white, while Benton Harbor is impoverished and ninety-two percent black. When the body of a black teenaged boy from Benton Harbor is found in the river, unhealed wounds and suspicions between the two towns' populations surface as well. The investigation into the young man's death becomes, inevitably, a screen on which each town projects their resentments and fears. *The Other Side of the River* sensitively portrays the lives and hopes of the towns' citizens as they wrestle with this mystery--and reveals the attitudes and misperceptions that undermine race relations throughout America. The definitive biography of James Brown, the Godfather of Soul, with fascinating findings on his life as a Civil Rights activist, an entrepreneur, and the most innovative musician of our time *Playing 350* shows a year at his peak, with more than forty Billboard hits, James Brown was a dazzling showman who transformed American music. His life offstage was just as vibrant, and until now no biographer has delivered a complete profile. *The One* draws on interviews with more than 100 people who knew Brown personally or played with him professionally. Using these sources, award-winning writer RJ Smith draws a portrait of a man whose twisted and amazing life helps us to understand the music he made. *The One* delves deeply into the story of a man who was raised in abject-almost medieval-poverty in the segregated South but grew up to earn (and lose) several fortunes. Covering everything from Brown's unconventional childhood (his aunt ran a bordello), to his role in the Black Power movement, which used "Say It Loud (I'm Black and Proud)" as its anthem, to his high-profile friendships, to his complicated family life, Smith's meticulous research and sparkling prose blend biography with a cultural history of a pivotal era. At the heart of *The One* is Brown's musical genius. He had crucial influence as an artist during at least three decades; he inspires pity, awe, and revulsion. As Smith traces the legend's reinvention of funk, soul, R&B, and pop, he gives this history a melody all its own. font size="+1"*The sweeping long-lost novella, now available in paperback for the first time in 40 years, alongside recently rediscovered short story 'The Lost One', from the original queen of romantic suspense/font size font size="+1"'Total heaven' Harriet Evans/font size 1879. Lanzarote. A wealthy young woman elopes with an impoverished fisherman, leaving her family distraught. 1968. Perdita West, secretary to a famous author,*

visits Lanzarote on a research trip and begins to fall in love with the unusual, beautiful little island. When, while snorkelling, a landslide traps Perdita in an underwater cave, her efforts to save herself will reveal what happened to the ill-fated couple who fell in love at this very spot almost a century ago . . . Also includes the recently rediscovered short story 'The Lost One', first published in *Woman's Journal* in 1960, and set against the backdrop of unfenced country and dark winding valleys at night. Praise for *Mary Stewart*: 'Stylish' *Guardian* 'Wonderful' *Scotsman* 'Mary Stewart is magic' *New York Times* '[She] sprinkled intelligence around like stardust' *Herald* 'One of the great British storytellers of the 20th century' *Independent* 'She set the benchmark for pace, suspense and romance - with a great dollop of escapism as the icing' *Elizabeth Buchan Learn* how *Julie and the Phantoms* bring their rock-and-roll dreams to life in this novel based on season one of the new Netflix show from *Descendants* director *Kenny Ortega*! After the passing of her mom, Julie has lost her passion for music and is on the verge of being kicked out of her performing arts high school. That is, until she makes the ultimate comeback with her new band, *Julie and the Phantoms*. There's only one catch: All of her bandmates are ghosts. Back in the 1990s, Luke, Reggie, and Alex were on the cusp of rock stardom with their band, *Sunset Curve*, before an unfortunate encounter with Los Angeles street food brought their rock band dreams and lives to an end. Now, with Julie as their lead singer, the guys have a second chance to make it big and to help Julie discover the real power of music. This novel based on season one of the hit Netflix series *Julie and the Phantoms* is told in alternating points of view and includes exclusive story content not seen on the show! There are few creative acts more mysterious and magical than writing a song. But what if the goal wasn't so mysterious and was actually achievable for anyone who wants to experience more magic and creativity in their life? That's something that anyone will be inspired to do after reading *Jeff Tweedy's How to Write One Song*. Why one song? Because the difference between one song and many songs isn't a cute semantic trick—it's an important distinction that can simplify a notoriously confusing art form. The idea of becoming a capital-S songwriter can seem daunting, but approached as a focused, self-contained event, the mystery and fear subsides, and songwriting becomes an exciting pursuit. And then there is the energizing, nourishing creativity that can open up. *How to Write One Song* brings readers into the intimate process of writing one song—lyrics, music, and putting it all together—and accesses the deep sense of wonder that remains at the heart of this curious, yet incredibly fulfilling, artistic act. But it's equally about the importance of making creativity part of your life every day, and of experiencing the hope, inspiration, and joy available to anyone who's willing to get started. Now on Netflix! The USA Today bestseller *A Wall Street Journal Best Science Fiction Book of 2018* "Just try to put this gripping thriller down once you pick it up." —AARP "A shock on every other page." —*Wall Street Journal* How far would you go to find *The One*? A simple DNA test is all it takes. Just a quick mouth swab and soon you'll be matched with your perfect partner—the one you're genetically made for. That's the promise made by *Match Your DNA*. A decade ago, the company announced that they had found the gene that pairs each of us with our soul mate. Since then, millions of people around the world have been matched. But the discovery has its downsides: test results have led to the breakup of countless relationships and upended the traditional ideas of dating, romance and love. Now five very different people have received the notification

that they've been "Matched." They're each about to meet their one true love. But "happily ever after" isn't guaranteed for everyone. Because even soul mates have secrets. And some are more shocking than others... A word-of-mouth hit in the United Kingdom, The One is a fascinating novel that shows how even the simplest discoveries can have complicated consequences.
