How Not To Hate  
Your Husband After  
Kids tackles the last  
taboo subject of  
parenthood: the  
startling, white-hot  
fury that new (and  
not-so-new)  
mothers often have  
for their mates.  
After Jancee Dunn  
had her baby, she  
found that she was  
doing virtually all  
the household  
chores, even  
though she and her  
husband worked  
equal hours. She  
asked herself: How  
did I become the  
'expert' at changing  
a diaper? Many

expectant parents  
spend weeks  
researching the  
best crib or safest  
car seat, but spend  
little if any time  
thinking about the  
titanic impact the  
baby will have on  
their marriage - and  
the way their  
marriage will affect  
their child. Enter  
Dunn, her well-  
meaning but  
blithely unhelpful  
husband, their  
daughter, and her  
boisterous extended  
family, who show us  
the ways in which  
outmoded family  
patterns and  
traditions thwart  
the overworked,  
overloaded parents  
of today. On the  
brink of marital  
Armageddon, Dunn  
plunges into the  
latest relationship  
research, solicits  
the counsel of the  
country's most

renowned couples'  
and sex therapists,  
canvasses fellow  
parents, and even  
consults an FBI  
hostage negotiator  
on how to  
effectively contain  
an "explosive  
situation." Instead  
of having the same  
fights over and  
over, Dunn and her  
husband must  
figure out a way to  
resolve their larger  
issues and fix their  
family while there  
is still time. As they  
discover, adding a  
demanding new  
person to your  
relationship means  
you have to  
reevaluate--and  
rebuild--your  
marriage. In an  
exhilarating twist,  
they work together  
to save the day,  
happily returning to  
the kind of peaceful  
life they previously  
thought was the

sole province of couples without children. Part memoir, part self-help book with actionable and achievable advice, *How Not To Hate Your Husband After Kids* is an eye-opening look at how the man who got you into this position in this first place is the ally you didn't know you had. Dogwise Publishing is pleased to reunite again with Pat Miller for the publication of her second volume of *Positive Perspectives*, a collection of her recent articles. This collection is more advanced than volume one, with particular emphasis on understanding the latest in canine behavioral research

so that you can become a more effective trainer and/or owner. Written in Pat's understandable but sophisticated style, *Positive Perspectives 2* presents the latest "positive" thinking on body language, training and behavioral concepts, teaching behaviors, problem behaviors, and aggression. While preparing to give birth to her first daughter, actress Jenna von Oy, well-known for her roles as Six on *Blossom* and Stevie on *The Parkers*, discovered that the market was filled with clinical guides to pregnancy and beyond. Though they had their merits, she craved a best friend's guide .

. . . one that didn't sugarcoat reality but still offered relatable and heartfelt reassurance. Thus, *Situation Momey: A First-Time Mom's Guide to Laughing Your Way through Pregnancy & Year One* was born. Jenna brings readers a lighthearted and comedic look at pregnancy and the first year of motherhood, highlighting major mommy milestones with chapters like "Houston, We Have a Pregnancy," "This Is Your Brain on Baby," "Bringing Sexy Back," and "All's Fair in Love and Mommy Wars." Pets are such a big part of so many of our lives. As any pet lover knows, a wagging tail or a

tender purr can soothe the soul after a hard day. And sometimes, the presence of dogs and cats in our lives can do even more. In these delightful books, Callie Smith Grant collects stories that celebrate the dogs and cats in our lives--stories that touch our hearts, renew our spirit, and show us how God created these beasts for unique purposes. A funny little dog named Prince earns his title by protecting the children of the house. A "dickens of a cat" gives a cancer survivor something else to think about. A lively litter of puppies soothes a troubled child. A scrawny kitten helps an anorexic girl begin

to eat. Well-known authors, including Melody Carlson, Tracie Peterson, and Robert Benson, as well as new voices share their inspirational true stories of these otherwise ordinary cats and dogs whose presence in the lives of humans make them remarkable. Each book also includes interesting sidebars, memorable quotes, helpful hints for living with dogs and cats, and forewords by H. Norman Wright. The stories are warm, captivating, and ideal for a good curl-up-and-read or for a gift to any pet lover. Cat lovers, dog lovers, and anyone who likes to read uplifting stories will cherish

these books. George and Harold (co-stars of the enormously popular Captain Underpants series) are in big trouble again! Their mean principal Mr Krupp has had it with their comic books. But the boys aren't giving up and they decide to create an all-new epic novel about a subject they've never tackled before! Dr Dilbert Dinkle started his career as an ordinary, everyday evil genius/inventor/bank robber. But when he awakens one day transformed into a walking, talking puddle of pee, he vows to destroy every toilet in town. Will the devious Dr Dinkle and his conniving cat, Petey, ruin

restrooms for the rest of us? Or could this be a job for the death-defying duo of Super Diaper Baby and Diaper Dog? When Piggy can not come out to play because he is using the potty, Ducky decides it is time for him to learn to use the potty too. On board pages. This is the true story of Coco Pierre, a little poodle with special needs that is abandoned by his family. He is rescued from a shelter and waits in foster care for his forever family to find him. Coco soon learns that his special needs make him more endearing to his new family and to everyone he meets. A warm and witty memoir by Danielle

Fishel—"a talented actor who has always led with her heart" (Ben Savage)—the beloved star of the '90s sitcom *Boy Meets World* and its hilarious new spin-off, *Girl Meets World*. Best known for playing Topanga Lawrence on *Boy Meets World*, Danielle Fishel was the quintessential girl-next-door for seven years as she joined 10 million viewers in their living rooms every Friday from 1993 to 2000. The real Danielle is just as entertaining and down-to-earth as the character she portrayed on her hit show. But life even for a successful actress can be messy, from disastrous auditions to dating mishaps

and awkward red carpet moments. Normally, *This Would Be Cause for Concern* is a fun romp through Danielle's own imperfections. It's a book for anyone who, like Danielle, has ever tripped and fallen down a flight of stairs in a room full of people, had a romantic moment with a significant other ruined by gas, or taken a Halloween photo without realizing there was a huge chunk of strawberry in their teeth. Here is the real, imperfect Danielle, who knows that a good sense of humor and a positive attitude makes life so much more enjoyable. Even when you've just face-planted in front of Ben Affleck.

A revolutionary way to raise and train your dog, with “a wealth of practical tips, tricks, and fun games that will enrich the lives of many dogs and their human companions” (Dr. Ian Dunbar, veterinarian and animal behaviorist). Zak George is a new type of dog trainer. A dynamic YouTube star and Animal Planet personality with a fresh approach, Zak helps you tailor dog training to your pet’s unique traits and energy level—leading to quicker results and a much happier pup. For the first time, Zak has distilled the information from his hundreds of videos and experience with

thousands of dogs into this comprehensive dog and puppy training guide that includes:

- Choosing the right pup for you
- Housetraining and basic training
- Handling biting, leash pulling, jumping up, barking, aggression, chewing, and other behavioral issues
- Health care essentials like finding a vet and selecting the right food
- Cool tricks, traveling tips, and activities to enjoy with your dog
- Topics with corresponding videos on Zak’s YouTube channel so you can see his advice in action

Packed with everything you need to know to raise and care for

your dog, this book will help you communicate and bond with one another in a way that makes training easier, more rewarding, and—most of all—fun! *The Day They Took My Uncle and Other Stories* is a collection of 15 shorts by novelist Lionel Garcia, dealing mostly with working-class and poor inhabitants of the southwestern U.S. Difficulties encountered by Latinos in America are a recurrent theme. When she moves her Alzheimer’s-afflicted dad into the home she shares with her husband and elderly dog, Rachel Morgan expects some

complications, but she never imagines the biggest one will occur on the first day, threatening her best-intentioned caregiving plans. Her normally sweet-natured dad—a former mailman who experienced too many run-ins with biting dogs—is adamant about wanting nothing to do with her big black Labrador. But as Rachel tends to the escalating physical and emotional needs of each, she notices the striking similarities in their aging processes, and realizes these two souls whom she loves deeply are on the same journey. With time working against her, Rachel must find a way to

transform their uneasy truce into a trusting companionship. In doing so, she hopes to make their shared journey less lonely and frightening—and more bearable for those who must someday let them go. Bringing a New Puppy or Dog Into your life can be either one of the most rewarding or one of the most frustrating experiences you will ever have. You may be a single, urban dweller seeking a friendly companion at the end of the day; a mother and father deciding on when to get a dog for you and your children; or someone who just lost a pet and is not sure of the right time to start

looking for a new one. Regardless of your situation, you need accurate and basic information to help you make decisions. This complete guide to starting off right with your new canine companion is the perfect place to begin. From learning where to find your a dog to the how-tos of feeding and caring, award-winning writer and pet expert Susan McCullough tells you exactly what you need to know to make informed decisions that will benefit both you and your new pet. You'll discover how to: Make sure you're ready for a dog, Get your home ready for the dog, Feed, groom, and exercise your dog,

Houstrain your pet. Organized in an easy-to-use question-and-answer format, Your New Dog is a welcoming book for any new or potential dog owner. This book will ensure that you have the expectations and information you need to launch a lifetime of loving canine companionship. Book jacket. Death is inevitable and is an existential fear for all human beings. But it is the devastating thought of departing this earth alone and in agony that renders our inevitable transition such a fearful endeavour. For many, it is not so much facing the afterlife, as most religions provide

some support in that area, but it is in the way we will end our lives that is the major source of concern. How many of us hope and pray to be blessed with an angel, a loved one that will give us the patient support and attend to our very needs during our last days? Such dedicated souls are few and far apart, and rare are the ones that will undertake that exhausting and onerous task. This book is about one of them though, Pierre, a loving husband who, without hesitation, put his life aside to become the sole caretaker of his wife, Louise, diagnosed with a devastating cancer. I was born as Virginia Doris

Keziah Bathurst. The Keziah is a bible name I inherited from my grandma. The Doris was from my aunt. When I was born in 1923 they didn't require a birth certificate. I didn't get a certificate until I went to work for SAC Air Force Base when it was in Ogden, Utah. My father got it for me and for some reason the two middle names were left out. Years later, when I went to work for the Northwestern Bell Telephone Company, it was required that your maiden name initial appear on your Social Security Card. Well, since I was married then, I've been Virginia Bathurst Beck ever since. Illus. in full

color. Beginning readers can learn 100 different words in this story about a remarkable dog. What people will read is about what happens when a semiredneck is conned into buying three limousines; the adventures he had with famous people and how he recovered paying for three limousines; how he kept a promise to a dying friend who was Dolly Parton's old school mate; and how he helped Rob Thomas to be a star. You will find out that what goes on in a limousine can be hilarious. This story took twenty-five years to write, so don't expect an episode or two! In this hilarious rhyming book, a little boy

sees his world crumble around him as his mother prepares to change his diaper. A Hollywood dog trainer explains how to use nonviolent, wolf-inspired methods in order to bond with and train canine companions, in a guide that reveals how to employ play-based techniques that elicit desirable dog behaviors. Memos Coloring Book - Perfect Gift for Dog Owners  
Dogs might be around for only a small part of our lives, but we are around for all of theirs. It doesn't matter if we've had them from when they were just puppies or maybe if they were adopted later in life, they are special in so many different ways. With this in mind, it's important to always appreciate how much the many different dog breeds in the world actually mean to all of us. No matter how we feel, our pet dogs are always there for us and love us unconditionally. This is especially true with pet owners. At the end

of the day, of all the people and things in the world that understand us best, it's usually our pet dogs. This dog meme inspired coloring book is all about the funny things that dogs do when we are home, and also when we're away. When you read through the pages, come of them you will know all too well. Some of the funny messages and drawings inside this booklet include: My name is Sadie. I like to eat lipstick. It tastes like chocolate and dreams. I ate the baby's diaper ointment. Now its leaking out my bum and I need to wear his diapers too. I like to pants strangers at the park, but I think

mommy likes it. That's how she met her boyfriend. Sometimes I sleep in the laundry pile. Sometimes I pee in it. I chewed up daddy's computer keyboard. Now I'm pooping out the alphabet! This book survived the last 100 years. But it didn't survive me! I ate a baby chick. Mommy was upset because it was our new pet, so I yacked it up on the carpet all better! This coloring book is perfect for anyone that loves to bring black and white drawings to life, get creative with their own inspirational sketching or penciling, and of course for anyone that has a passion for dogs and being a pet owner. As we

all known, dogs aren't just pets -- they are family! Not only is this book loaded with 25 different unique coloring pages, it also has two complete sets... which provides you with a total of 50 different coloring pages. On the back of each page you will also find a faint dog cartoon that can be colored in as well. This booklet is perfect for personal use or as a gift for anyone that might have the dog breed featured in the cover photo. On a balmy night, everything changed in the stilling of a heartbeat ... During Leigh Ann's psychiatric clinical work as a nursing student, a patient swept her off her feet with his dazzling good looks and charm. But soon after marrying Mr Right, things began to go horribly wrong. Believing the best of the man she loved, she endured the heartache and abuse until his threats turned deadly. On the

night of September 16, 1994, Leigh Ann Bryant, fearing for her life and that of her young son, shot and killed her husband. Panicked and afraid of retaliation, she told the police an intruder had committed the crime. Indicted for murder, and subsequently jailed, Leigh Ann's journey of desperation miraculously turned to one of ultimate healing. In My Defense is for anyone who has felt alone or hopeless at the hands of abuse - whether it is emotional, physical, sexual, or spiritual. It offers tangible hope for victims - and those who love them - who are earnestly seeking the light of healing and freedom. Leigh

Ann's story will grip and shake you, and never let you go. Fifty-seven-year-old Denise Jameson, an award-winning groomer who has been plying her trade for over thirty-five years, is the manager of Dog Wash, a grooming salon inside a Your Pets store. Denise works long hours, seven days a week, and her only desire is to see her favorite rock group, and favorite singer, in concert. The salon never has a dull moment with pets of all breeds and sizes, and the employees who help Denise groom the animals. There's Christine, a groomer who brings her talkative and, at times, trouble-making mynah bird, Diego,

to work with her every day, and Stacy, the other groomer with two small children and a third one on the way. Working with the groomers is Kathy, a young grooming assistant who wants to be a singer. Her constant singing at the salon gets on the nerves of Bob, another grooming assistant who is hoping to get accepted at a school for veterinary medicine. Cheryl, a part-time grooming assistant, is content just to work with Denise. Their lives intersect with Tony Lovic, a homeless US Army veteran, who would do anything to be employed again. One day, hungry and desperate,

Tony asks his patron saint, Francis of Assisi, to pray for him to find a job. Then Tony enters Denise's grooming salon, and Diego greets him by saying, "Dog Wash. Can I help you?" It's an action that will change more than one life for the better. "Lisa and Francesca are back with another collection of warm and witty stories that will strike a chord with every woman. This seven book series is among the best reviewed humor books published today and has been compared to the late greats, Erma Bombeck and Nora Ephron"-- A wicked concoction of down-home hilarity and scathing political satire is served up

in this provocative and entertaining look at the South's pervasive influence on America from one of the nation's funniest political observers. The #1 New York Times bestseller The #1 Wall Street Journal bestseller USA Today bestseller "Funny, smart, uplifting, and fun, The Dog Lived (and So Will I) reminds us that animals are among our best teachers, our most powerful healers, and our most steadfast friends. I loved it!"-Sy Montgomery, author of The Good Good Pig The tale of a dog who wouldn't let go and the woman who followed his lead. Teresa Rhyne vowed to get things right this time

around: new boyfriend, new house, new dog, maybe even new job. But shortly after she adopted Seamus, a totally incorrigible beagle, vets told Teresa that he had a malignant tumor and less than a year to live. The diagnosis devastated her, but she decided to fight it, learning everything she could about the best treatment for Seamus. Teresa couldn't possibly have known then that she was preparing herself for life's next hurdle - a cancer diagnosis of her own. She forged ahead with survival, battling a deadly disease, fighting for doctors she needed, and baring her

heart for a seemingly star crossed relationship. The Dog Lived (and so Will I) is an uplifting and heartwarming story about how dogs steal our hearts, show us how to live, and teach us how to love. A heartwarming, hilarious book about dogs, relationships and surviving life's challenges with humor and grace is perfect for fans of Marley and Me, The Middle Place and A Dog's Purpose will love this touching memoir. Other books by Teresa Rhyne: Dogs Were Rescued (And So Was I) What readers are saying about The Dog Lived (And So Will I): "infused with

emotional moments and even more so with humor. The book is a wonderful mixture of it all." "As much as this book is about thriving, not just surviving, during cancer, it is also a love story written to the beagle." "A wonderfully poignant memoir straight from the heart" "like "Marley and Me", but much better." "INCREDIBLE - heartwarming, sad, funny, stressful and comforting all at once." "A true gem for any dog lover and anyone who either has had cancer or knows/has known someone with cancer - which let's face it - is everyone." "THIS MEMOIR IS WHAT ALL OTHER

MEMOIRS SHOULD ASPIRE TO." What reviewers are saying about *The Dog Lived (And So Will I)*: "This poignant and fast moving memoir...is proof that even a hard charging lawyer is no match for a big hearted beagle." -Martin Kihn, author of *Bad Dog (A Love Story)* "...encouraging tale of finding love and love in unexpected places..."-Publishers Weekly "A book that dares to be honest and sad and hilarious all at once."-Susan Conley, author of *The Foremost Good Fortune* From bestselling author of *She's Not There*, New York Times opinion columnist, and human rights activist Jennifer

Finney Boylan, *Good Boy: My Life in Seven Dogs*, a memoir of the transformative power of loving dogs. This is a book about dogs: the love we have for them, and the way that love helps us understand the people we have been. It's in the love of dogs, and my love for them, that I can best now take the measure of the child I once was, and the bottomless, unfathomable desires that once haunted me. There are times when it is hard for me to fully remember that love, which was once so fragile, and so fierce. Sometimes it seems to fade before me, like breath on a mirror. But I

remember the dogs. In her New York Times opinion column, Jennifer Finney Boylan wrote about her relationship with her beloved dog Indigo, and her wise, funny, heartbreaking piece went viral. In *Good Boy*, Boylan explores what should be the simplest topic in the world, but never is: finding and giving love. *Good Boy* is a universal account of a remarkable story: showing how a young boy became a middle-aged woman—accompanied at seven crucial moments of growth and transformation by seven memorable dogs. "Everything I know about love," she writes, "I learned

from dogs." Their love enables us to pull off what seem like impossible feats: to find our way home when we are lost, to live our lives with humor and courage, and above all, to best become our true selves. Considered by many to be mentally retarded, a brilliant, impatient fifth-grader with cerebral palsy discovers a technological device that will allow her to speak for the first time. When life circumstances made her run from the God she had known all her life, He continued to show Himself to her. Once Chris Scholl realized He was not going anywhere, she gave

in and is now closer to Him than ever. God speaks today, just as He did in the Old Testament days. The only difference now is, we have so much more clutter around us that we just have to look harder and listen closer. In *Well, Let Me Just Tell Y'all, Chris* keeps it simple as she shares the lessons God has taught her. The book includes inspirations, devotionals, poems, and just a few of the many scriptures God has used to remind her that He has a purpose for all of us, that He loves us, and that He provides strength, hope, and forgiveness. Now in its Second Edition, this compact, portable reference

is a complete, concise, and straightforward guide to ECG interpretation. The comprehensive coverage includes ECG basics, rhythm strips, arrhythmias, pharmacologic and nonpharmacologic treatments, 12-lead and 15-lead ECGs, and more. The book features scores of waveform illustrations, look-alike arrhythmias with distinguishing features, assessment and treatment algorithms, and troubleshooting tips for ECG problems. This edition has new chapters on pharmacologic and nonpharmacologic treatment and new information on biventricular pacers and ablation therapy. A practice

strip appendix has been added for self-testing. Rhythm strips have been added to the Quick Guide to Arrhythmias appendix. The term Gaslighting, refers to a form of psychological abuse. It is a topic, many clinicians and people are starting to discuss. There has never been a written memoir, until now... After Caterina lost her sister to drug addiction, she changed her major from liberal arts to psychology. Caterina, eagerly studied and sought to understand the dynamics of her dysfunctional family. Being in the classroom, made her feel like she was a member of the illuminati, and

given the key to a secret door. Then, she met him. He was older, and not like the other boys her age. He liked to have intellectual conversations about history, music, and art. He was handsome, charming, and charismatic. The pull was instant, and she was his. Then one night, high and sedated by the drugs he gave her, she began to notice things. She began to recall what she learned in class, in Abnormal Psychology. She realized, he was Dorian Gray, in the flesh. His mask was beautiful, but underneath, he was manipulative and cruel. Celebrate the wisdom of the sandbox—the witty, innocent,

surprising, and yet completely sensible things that kids say and do. A little book with a big heart, Really Important Stuff My Kids Have Taught Me combines deceptively simple life lessons with engaging images that together not only offer insight but inspire joy. Kids see the world in a way that adults don't, so glimpsing life through a child's eyes offers a fresh—and often funny—perspective. Kids encourage us to be open-minded: There are a lot of different ways to get to the top of the jungle gym. To be fearless: Jump right in or you may change your mind about swimming. To aim high: Even babies grab for

things just beyond their reach. To be kind to yourself: Sometimes you need a Saturday on a Wednesday. To follow your own path: If the flowers you draw don't look like anyone else's, that's good. And to stay young: Go barefoot! Tune in to the chatter on the playground, and remind yourself how simple everything really is. Miss Wilhelmina Moon is a dog governess. At her first placement, on a small island off the coast of France, her new charges - sixty-seven dogs of all shapes, sizes and colors - run wild. But armed with patience and a passion for teaching, as well as her companions, Mitford the monkey

and Petunia the French bulldog, Miss Moon soon imparts twenty important lessons to her furry brood. Some are practical, some are playful, one or two are a little unusual, but all are necessary for the raising of happy, healthy and well-mannered dogs (and humans). In trouble with their principal because of their comic books, George and Harold decide to create a new epic novel. From holiday parties and cozy nights at home to discovering new worlds or long days at the office, incorrigible road racers to that vacation that just refuses to work out as planned, Crinkle Shorts explores the possibilities of the

world of Babyfurs and Furry AB\DL relationships in all its diapered goodness. So settle down with your favorite plushie, kick up your paws, and let me tell you a story... It used to be just the two of you. Now you have a baby, or maybe even a few kids, and the luxury of time—to frolic, talk, romance, and simply hang out—is gone, replaced by a big dose of chaos and the demands of little people who rule your home with small, adorable iron fists. Parenthood brings changes to your relationship, changes that are at once profound, beautiful, irrevocable, and scary. These changes knock you off balance, forcing

even the most secure couples to go back to the basics in figuring out how to define a new version of "we." In *Blindsided* by a Diaper, some of today's most popular writers dare to tell what it's really like for couples in the trenches of the parenting experience. They boldly reveal intimate aspects of their relationships, sharing the choices they've made, the joy and frustrations they've experienced, the trials and tribulations of their sex lives, the lessons they have learned, and how their lives together as parents may or may not be what they were expecting. The

writers have quite literally invited you inside their bedrooms, their minds, and their lives as parents. Award-winning author Karina Bliss offers a sisters' twin swap story encompassing marriage drama, family conflicts, and wounded-warrior angst where love in all its many forms wins out in the end. *Playing with dynamite*, a guy could get burned... Given his aversion to love and marriage, Ross Coltrane--an elite soldier and demolitions expert--has no idea how he ended up playing middleman to his kid brother and the estranged wife. More terrifying is suddenly noticing how sexy his sister-

in-law is. He's never been attracted to his brother's wife that way before...But he's always had a spark with her twin. Turns out the identical sisters have pulled a swap and duped everyone around them. Furious much? About to rain down retribution, Ross hesitates. Something about Vivienne Jansen's gutsiness and misplaced do-gooding gets to him. Except, he's not a guy who has feelings. Enemies become lovers... Vivienne Jansen's creative solutions work well as an international costume designer, not so well as her family's black sheep. But she's going to save the

day, if only her brother's best friend will move his disapproving Alpha-ness out of the way. Chaos theory has always been her modus operandi but falling for the enemy--a guy whose friends call him Iceman--could be the most dangerous thing she's ever done. "Bliss might be my favorite contemporary romance author. Funny, earnest characters falling in love. This has kind of a madcap pace to it but I loved the vivacious Vivien and the wounded soldier, Ross. Perfect pairing." Jane Litte, Dear Author "Well drawn characters and a fun story make for a lively read....And the attraction between Viv and

Ross sparks." Romantic Times The Special Forces series The Soldier's Wedding The Rescue Mission Bring Him Home A Prior Engagement In Book Three of the popular "My Life . . ." series by Janet Tashjian, Derek Fallon's plan to help out a new classmate backfires miserably There's a new kid in Derek Fallon's class. His name is Umberto and he uses a wheelchair. Derek's family is still fostering Frank the monkey, and Derek thinks it would be great to train Frank to assist Umberto. But Derek quickly realizes that Umberto is definitely not looking for any help. Derek soon becomes the butt of

Umberto's jokes. On top of that, Umberto starts stealing Derek's cartoon ideas and claiming them as his own. How did Derek get himself into this mess, and how can he find a way out before he is the laughingstock of school? The answer may very well be his cartoon strip—SUPER FRANK! My Life as a Cartoonist features illustrations by Janet Tashjian's son, Jake Tashjian. The collections from beloved mother-daughter writing duo Lisa Scottoline and Francesca Serritella are among the best reviewed humor books published today and have been compared to

the late greats, Erma Bombeck and Nora Ephron. Here for the first time in a fabulous eBook bundle are two of their witty and warm collections. Best Friends, Occasional Enemies Lisa and Francesca are best friends-99.9 percent of the time. In other words, they're just like every mother and daughter in the world-best friends

and occasional enemies. Here they dish about it all, and whether you're a mother or a daughter you'll find yourself laughing, nodding, and reading this book to those you love. Meet Me at Emotional Baggage Claim How does a mother's love translate across state lines and over any semblance of personal boundaries? You'll

laugh out loud as Lisa and Francesca face-off over the proper technique for packing dishes, the importance of bringing a coat in the summertime, and the dos and don'ts of dating at any age. Add Mother Mary to the mix, and you have a Molotov cocktail of estrogen, opinions, and fun.
