Get your best grades with this exam-focused text that will guide you through the content and skills you need to prepare for the big day. Manage your own revision with step-by-step support from experienced examiners Sandie Harrison and David Milner. This guide also includes a Questions and Answers section with exam-style questions, student's answers for each question, and examiner comments to ensure you're exam-ready. - Plan and pace your revision with the revision planner - Use the expert tips to clarify key points - Avoid making typical mistakes with expert advice - Test yourself with end-of-topic questions and answers and tick off each topic as you complete it - Practise your exam skills with exam-style questions and answers This title has not been through the Cambridge International endorsement process. This is the ideal dictionary for AS and A2 students. Unlike other dictionaries, the terms here are all directly relevant to AS/A-level biology. All the entries are clearly and concisely defined with diagrams and further explanation where appropriate. In many cases, entries are cross-referenced to related terms and concepts and include the guidance of the author, experienced examiner Alan Clamp, on how the term should be used correctly. The Essential Word Dictionary is the perfect reference companion, whether students are new to the subject, part way through their course or revising for their exams. Oxford Revision Guides are highly effective for both individual revision and classroom summary work. The diagrammatic approach makes the key concepts and processes, and the links between them, easier to memorize. Comprehensive coverage Key topics are graphically presented on page spreads, making the books extremely easy to use. Additionally, this book features specification matching grids so that you can feel confident that your specification is covered. Saves revision time Your students will save valuable revision time by using these notes instead of condensing their own. In fact many students are choosing to buy their own copies so that they can colour code or

highlight them as they might do with their own revision notes. This guide features student answers to exam-style questions and tasks. The author comments on the strengths and weaknesses of the answers, showing where marks are won and where improvements can be made. Enable students to achieve their best grade in AS/A-level English Literature with this year-round course companion; designed to instil in-depth textual understanding as students read, analyse and revise *The Taming of the Shrew* throughout the course. This Study and Revise guide: - Increases students' knowledge of *The Taming of the Shrew* as they progress through the detailed commentary and contextual information written by experienced teachers and examiners - Develops understanding of characterisation, themes, form, structure and language, equipping students with a rich bank of textual examples to enhance their coursework and exam responses - Builds critical and analytical skills through challenging, thought-provoking questions and tasks that encourage students to form their own personal responses to the text - Extends learning and prepares students for higher-level study by introducing critical viewpoints, comparative references to other literary works and suggestions for independent research - Helps students maximise their exam potential using clear explanations of the Assessment Objectives, sample student answers and examiner insights - Improves students' extended writing techniques through targeted advice on planning and structuring a successful essay

Target success in OCR A-level Design and Technology: Product Design with this proven formula for effective, structured revision; key content coverage is combined with exam-style tasks and practical tips to create a revision guide that students can rely on to review, strengthen and test their knowledge.
